

## General regulations POLDERFLORA

Great that you have chosen our campsite for your holiday!

In order to create a pleasant holiday for all our guests, we apply the following rules.

### Check-in/check-out –

Campsite: arrival after 13:30 - departure before 12:00

Cabins: arrival after 14:00 - departure before 10:00

**Arrival** - Please report to the reception upon arrival, so we can indicate your camping spot. Caravan with the wheels on the concrete slab, the awning or canopy over the artificial grass area. Party tents on grass are not permitted. We are careful with our grass... so only on arrival and departure with the car on the field.

**Parking** - Due to the car-free fields, you can park your car in one of the two parking spaces. During the night's rest between 22:00 and 07:00 we do not allow motorized traffic on the campsite. Are you returning to the campsite later than 22:00 pm or are you leaving earlier than 07:00am? Then use the first parking lot at the entrance. DRIVING AT A WALKING SPEED on the entire site.

**Peace and quiet** – Please have consideration with other guests, and respect the peace and quiet on the campsite. Do not disturb your neighbours and respect nature and our facilities. Drone flying over the campsite is only permitted in consultation. Football is not permitted on the camping fields, soft ball and camping games are of course. After 22:00pm there is an evening silence on the site.

**Sanitary facilities** - Please supervise young children when using the sanitary facilities. Please do not empty your toilet buckets in a toilet bowl but in the chemical toilet dump. Do not let your bucket with waste water overflow into the grass, but empty it in time in the chemical toilet dump at the rear of the sanitary building. We do everything we can to keep the sanitary facilities tidy; please report if something is wrong.

**Water tap** - use the water taps only for tapping drinking water, and not for e.g. rinsing your chemical toilet.

**Ponds** - It is not permitted to swim and/or sail in the ponds.

**Dogs** - Dogs are allowed provided they are always kept on a (short) leash and do not cause any inconvenience to your fellow campers. Use of fences in consultation. Dogs may only be walked outside the camping grounds; opposite the camping site there is an off-leash area at the Bedelaarsbos. Dogs are not allowed in the sanitary building and toilets and it's forbidden to let pets swim in the ponds.

**Smoking/fire/BBQ** - Smoking is prohibited in all buildings, including the toilets. We request that you do not smoke or barbecue on the artificial grass. Barbecuing is permitted; charcoal, electric or gas. Lighting an open (wood) fire/fire bowl is prohibited. There is a fire extinguisher in every accommodation. In case of fire, immediately notify the manager and call 112.

**Waste** - Will you help us reduce the amount of waste? Please separate your waste into glass - metal packaging- paper - organic waste, residual waste and PD (plastic & drink cartons). Old bread and vegetable waste may be placed in the feeding trough in the animal meadow, please note: no meat and no citrus fruits. Please do not leave any bulky waste behind, such as chairs or tents.

We are very pleased that you have taken the time to read the regulations, and above all we wish you a pleasant stay!
